

TAC Training

Training for Adoption Competency (TAC) is a national training program designed for mental health practitioners to gain clinical knowledge and skills to effectively serve the adoption kinship network. TAC is an accredited post-Master's curriculum designed by C.A.S.E. with the assistance of a National Advisory Board of adoption experts.

WHO IS THIS FOR

Post graduate clinicians working with young people who have been adopted or are in kinship or foster homes.

Upon completion of the final assessment, the program is approved for Continuing Education through NASW

WHEN ARE THEY

Trainings are held twice a month via Zoom from
**January 2026 -
November 2026**, from
9am – 12:30pm.
